CURRENT ISSUES

- **Current fiscal budget inadequate to support mission improvement. Facility maintenance and program improvement nearly impossible without additional budget; degrades morale of staff and drastically impacts primary mission of rehabilitation of prisoners and CCU Awardees.**
- **Waterfront Brig reports to PERS-6 for Program policy and mission responsibility, but to local region for monetary support. This dichotomous arrangement negatively affects the overall organizational mission effectiveness/efficiency.**
- **Replacement of antiquated security system. Old propriety system no longer supportable. Company long dissolved.**
- **Female staffing concerns. Minimum requirement of 10 hard to maintain. Activity Manning Document should be**
